Rama Varmha Tampuran.—Might have been or it might not have been, and new works suggested by the Registrar mighthave been begun. The Registrar might have had correspondence with the Panchayat and the Panchayat might have requested him for funds. The budget is different from requisitions. The simple fact that he did not get the budget in time need not deter him from sanctioning works necessary for the Panchayat. Requisitions of previous years might have been pending with him.

Mr. T. A. Ramachandra Ayyar.—Item No. 11. More money was sanctioned than what the Panchayat wanted. May I know why?

Rama Varmha Tampuran.—Panchayat's estimate might have been quite wrong. The technical staff is in the Registrar's office. He might have got the revised estimates.

Rao Sahib Mr. T. V. Kasturi Ranga Ayyar.—I can give reply to some of these. I do not remember about 1 and 2. (3) Lands have been acquired; (4) Lands are just under acquisition; (5) I have no idea; (6) Lands are ready and just acquired; (7) alignment passed only through the existing road.

Mr. T. A. Ramachandra Ayyar.—I want to know the reason for the delay.
